

An Affiliate of  UnityPoint Health

An aerial photograph of the Greene County Medical Center. The image shows a large, multi-story brick building with a central entrance featuring a gabled roof and a large "G" logo. There are several parking lots with cars, and the building is surrounded by trees and landscaping. The text "GREENE COUNTY MEDICAL CENTER" is visible on the side of the building.

Joyce Kurth
PRESIDENT

Message from the President

It has been another wonderful year for our Auxiliary, and I couldn't be more grateful for our volunteers, supporters and community. Whether it was seeing our new logo merchandise fly off the shelf, welcoming new members or watching neighbors gather once again for our favorite fund-raisers, it has been rewarding to see so many people supporting Greene County Medical Center.

One of my favorite parts of serving as president is working with members on new ways to give back. From helping purchase equipment and supporting scholarships to showing appreciation for our employees, we are always happy to give out that money because every dollar goes back to caring for our hospital and our community.

Thank you to everyone who volunteered, shopped, donated or simply encouraged our efforts this year. We have a wonderful group of people who make serving fun and I look forward to another year of growing the Gift Garden and continuing our tradition of giving back together.

2026 AUXILIARY & FOUNDATION SCHOLARSHIP PROGRAM

\$1,000 Scholarship Recipients

Breanna Ades
Addison Gannon
Naphtali Hoyt
Leah McCormick
Brookelynn Peterson
Nikki Rose
Maya Telleen
