AUXILIARY SALAD LUNCHEON WELL RECEIVED

After a four year hiatus, Greene County Medical Center Auxiliary members sponsored a salad luncheon, with profits used to support the purchase of needed items for the medical center. The popular luncheon was held at the Elks Lodge with Joyce Kurth acting as chair and the majority of active members involved in making salads and desserts and/or working at the event.

“The Greene County Medical Center Auxiliary members worked very hard to have our salad luncheon again,” said Kurth. “Thank you to all who attended and for all the positive comments. We had so much fun and we will be back next year.”

IN MEMORY

Two members of the Auxiliary passed away last June. Both Dallas and Alice volunteered many hours in the years they were active members.

AUXILIARY VOTES TO PROVIDE PARTIAL FUNDING FOR BLADDER SCANNER

At their August 7th meeting, the Greene County Medical Center Auxiliary voted to donate \$6,000 towards the purchase of a more than \$11,000 bladder scanner. Director of Nursing, Jessica Steinberg and Emergency Department and Trauma Coordinator, Lori Herrick, explained the scanner previously used was almost 10 years old. The scanner will be used in Acute Care, the Emergency Department, Pain Clinic, Urology Clinic, Care Management for heart ECHO procedures and by nursing staff. Steinberg stated, "This equipment will be more accurate, reliable and user-friendly than our current machine." She rated it a 10/10 on the basis of need.
