With gifts to the medical center's Foundation, we can all be philanthropists.

Your charitable gift is an investment in your community and in yourself. The joy of giving expresses your concern and involvement. Philanthropy knows no bounds, it truly is the love of mankind demonstrating the spirit of giving and caring.

Gifts can take many forms:

Cash — any amount, large or small.

Real Estate — often is done as an outright gift or bequest.

Charitable Trust — various trusts can be used to extend the value to the donor and the foundation.

Securities — gifts of stocks, bonds and mutual funds can provide an extra tax savings to the giver.

Bequests — through a will or other form of estate planning, a deferred gift can express and appreciation beyond current means.

Grain — an opportunity to make a donation and take advantage of lowering tax liability.

Life Insurance — as a beneficiary.

All gifts are deeply appreciated and significant. Please use the form on the back of this brochure for your donation.

Donor Recognition

Every donor is recognized. We are thankful for every gift we receive and recognize donors in a variety of ways depending on the intention of the gift.

Grateful Patient Program

If you or a loved one have received care at the medical center and would like an opportunity to express your gratitude, you can do that by making a monetary gift to the foundation as part of our *Grateful Patient Program*. Grateful patients can share their story as part of our donor recognition.

Honoring Care Givers

If you would like to make a gift honoring a staff member who was particularly helpful to you, we will present that employee with a gold heart lapel pin and a letter of appreciation.
